

Thank You

From books for your students to quietly read
to ear plugs for you, if you so need

There are markers, pens and paper galore
A gallon of glue, or even order four!

There are tissues and wipes and sanitizer too
Or a new bag to haul all the work you do!

Candy for the kids' "Good Job!" treats
Chocolate for you if you need something sweet

To an amazing teacher who makes learning fun
Thank you for all the wonderful teaching you've done!
